Rukhsat Corporate: A 2-Step Solution

**We stabilize your workforce by
securing their personal lives.**

Reliable Matchmaking (For Single Employees)

What it is: A private, dignified service to help employees find compatible life partners.

How it works: No swiping. No public profiles. Our psychologists vet candidates to ensure true compatibility, saving your employees time and emotional energy.

Mental Wellness (For All Employees)

What it is: Confidential counseling and therapy.

How it works: We provide a safe space for employees to manage stress, burnout, and relationship conflicts so they come to work recharged.

Why It's Safe?

Zero-Exposure Privacy

Unlike apps, we do not publicize your employees' data. Profiles are shared via secure, private links only —no swiping, no public searching, and no random chats.

ID Verified & Contractual

Every candidate is identity-checked and signs a conduct agreement.

Public Accountability

We are not a faceless service. Rukhsat is a trusted public brand with a digital community of 100 Million+ viewers, ensuring high ethical standards.

Psychologist Vetted

Candidates are screened for behavioral and emotional stability.

Proven Success:

10,000+
